November 7<sup>th</sup>, 2016

Dear Parents and Carers,

## **iPads for Learning Launch Evening: 8<sup>th</sup> November 2016**

A couple of weeks ago, we sent out an initial letter inviting you to the *iPads for Learning* launch, which takes place on Tuesday 8<sup>th</sup> November between 7pm and 8:30pm. Following on from that initial letter, we are pleased to be able to provide further details of pricing and technical queries, with regards to the purchase of an iPad from the school. As a school, we recognise that the purchase of an iPad is a considerable decision for parents and we hope that the information provided here, along with the content of the launch night itself can lead you to an informed choice. This year we are offering purchase outright option as well as a 12 and 24 month repayment plan.

At this point, we would like to make clear that the school currently uses banks of iPads to support students in the classroom, which students can use themselves in individual lessons. As a consequence of this, no child will be disadvantaged in the classroom should they not take part in the scheme, but we hope that you will be able to see the potential benefits of students having access to their own device. The pricing model for this year's scheme follows below:

<b>Ipad Air</b>	<b>Base Price</b>	<b>Case</b>	<b>Apps</b>	<b>3Yr Warranty</b>	<b>Insurance (3yr ADT)</b>	<b>Admin Fee</b>	<b>Total</b>	<b>Purchase Outright</b>	<b>Monthly Repayments</b>
<b>Outright</b>	£ 292.00	£ 16.00	£ 15.00	£ 38.00	£ 60.00	£ -	<b>£ 421.00</b>	£ 421.00	
<b>12 Months</b>	£ 292.00	£ 16.00	£ 15.00	£ 38.00	£ 60.00	£ 12.00	<b>£ 433.00</b>		£ 36.08
<b>24 Months</b>	£ 292.00	£ 16.00	£ 15.00	£ 38.00	£ 60.00	£ 24.00	<b>£ 445.00</b>		£ 18.54

On the launch night we will be providing a list of frequently asked questions, as well as a step-by-step guide to signing up to the scheme and these will be available on the school website following the event. We will be delighted to illustrate the current use of the iPads in school and to discuss any technical or educational questions that you may have.

If your child has their own personal iPad at home they can bring their iPad in to school as part of our Bring Your Own Device (BYOD) scheme and we will be releasing details in due course.

Should you have any further questions at all, please do not hesitate to get in contact with a member of the team on our email address [ipadsforlearning@tpstrust.co.uk](mailto:ipadsforlearning@tpstrust.co.uk)

Kind regards,

*The iPads for Learning Team*
