

Dear Parent/Carer,

At Priory School we use Squad In Touch, a solution that helps manage sport fixtures and provides tools for secure social networking around school sporting life.

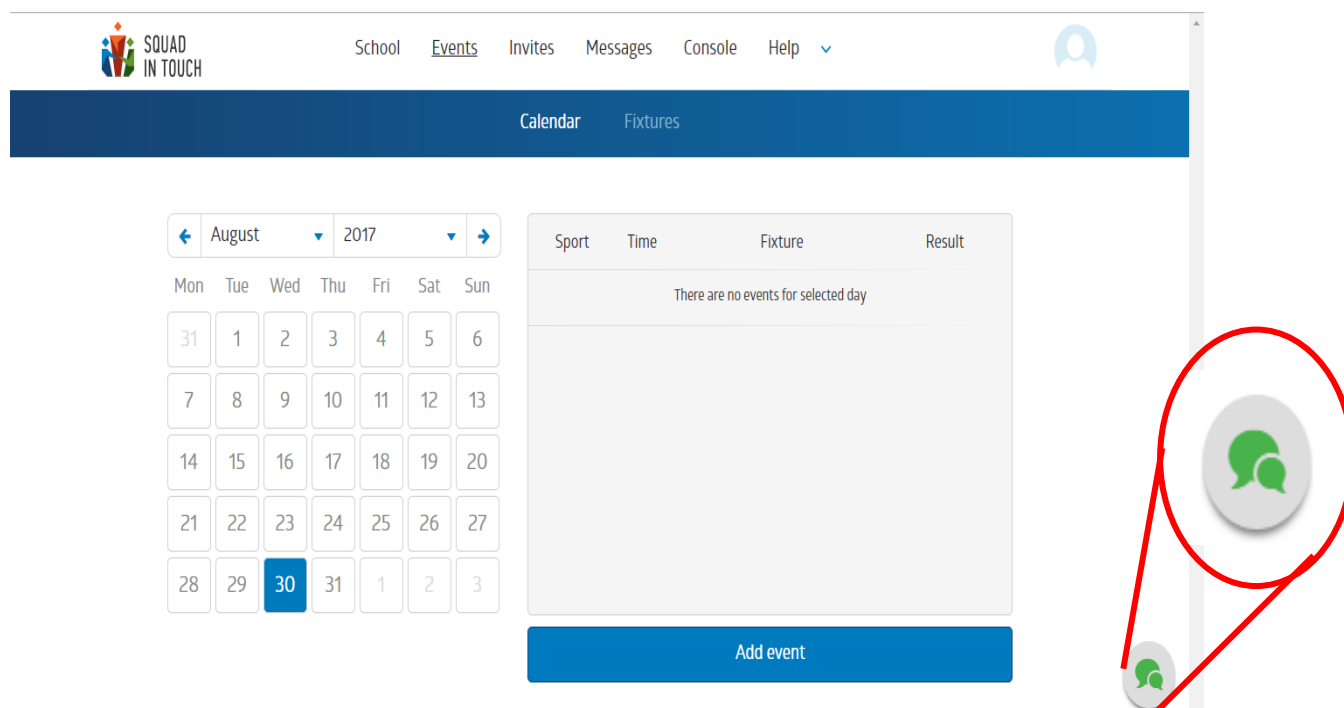

In order to gain maximum benefit from the software, you will be required to register an account whereby you will be able to:

- See your child(ren)'s fixtures, results and get performance reviews
- Obtain match details and updates with regards to fixture timings, venues, etc.
- Securely post your photos and comments related to fixtures your child attends.

We are inviting you to create an account with Squad In Touch – it takes less than two minutes and is completely free. You can register using the Squad In Touch website or via mobile application available on the App Store as well as Google Play, both provided free of charge.

Register in three easy steps

1. You can sign up at www.squadintouch.co.uk or download our mobile app from the Play Store for Android or from the App Store for iOS.
2. Enter your details and verify your mobile phone and email address. **The email address must be the same email address we have on record at the Priory.**
3. Select your school. You can locate your school by entering the school name in the relevant field. If you need any help during the registration process just get in touch with the support team email: support@squadintouch.co.uk or chat to us live (located at the bottom right of the screen when you are on Squad In Touch website).

The screenshot displays the Squad In Touch website interface. At the top, there is a navigation bar with the logo on the left and links for 'School', 'Events', 'Invites', 'Messages', 'Console', and 'Help'. Below this is a blue header with 'Calendar' and 'Fixtures' tabs. The main content area features a calendar for August 2017 on the left and a fixtures table on the right. The fixtures table has columns for 'Sport', 'Time', 'Fixture', and 'Result', and currently shows 'There are no events for selected day'. A blue 'Add event' button is at the bottom. A red circle highlights a chat icon in the bottom right corner of the interface.

Students will have accounts created for them using their school email address; we will show them how to log into their account within the first few weeks at Priory School.

We hope you find this tool useful, if you need any further support please do not hesitate to contact the school.

Kind regards,

Mrs L Deery
Head of PE
