22<sup>nd</sup> February 2021

Dear Parents/Carers,

In September our students voted to raise money for three charities this year, they are Cancer Research UK, The Harry Johnson Trust and Water Aid. Our target is to raise over £15,000 and so far we have raised nearly £7,000.

**Goraise** is a fundraising website that allows us to generate money for our charities by redirecting shoppers to shopping websites. If you feel that this is something you can support us with please follow the link or go to the Parents section of the school website, this will take you to The Priory School fundraising page.

<https://www.goraise.co.uk/the-priory-school-shrewsbury>

You will then need to click the **join button** at the bottom of the page and add a few details to create an account. You can then search the Goraise website for the retailer you want to buy from. There are search filters to help. There are some big names to choose from such as Argos, Marks and Spencer, Ebay, Currys PC World, Boots, B & Q and many, many more.

Click the link to that shop and you will be taken to their usual website. Shop as normal.

A percentage of your spend is given to the Priory School by Goraise. We will add this to our school fundraising total, to be split between the 3 nominated charities at the end of the year. You don't spend a penny extra.

Next time you do any online shopping, log into your Goraise account to check if that retailer is listed. If they are, then use the link on the Goraise website so your spend is logged and more money is raised.

Yours sincerely,

Mr N Bucknall  
Assistant Headteacher
