

Year 11 Revision Timetable 6-23 June 2022

After half term, students will follow a version of the Timetable below:

- Students will continue to attend am and pm reg **unless** they are arriving late/finishing early due to having sat the last exam in lessons at the start or end of the day. If students are coming in for part of the day, arriving after am reg and/or leaving before pm reg, they will sign in and out of the crush hall. **It is essential that students register or sign in/out for safeguarding purposes.**
- After half term, students are encouraged to attend all revision sessions and lessons for subjects for which they have not sat their final exam (when they are not in an exam). Subjects marked in red are where the final examination has been sat and the lesson will **not** be taking place.
- The Library will be available for students during lesson time for private study, for example during core PE lessons or where there is a subject with no more exams. The Drama studio will be available at break and lunch time and the canteen will be open to serve students who have a pm exam from 12.30.
