

The Priory School CEIAG programme 2019-2020

This document is a working document and indicates activities that TPS aims to deliver but may be adapted / added to throughout the year.

Term	Activity	Purpose	Gatsby Benchmarks
Year 6 Spring Term	Enterprise challenge	All students have the opportunity to participate in an enterprise challenge run by The Priory School where they work in teams to run a mini-business. Students must work out the most efficient way to produce their items, buy materials to make them with and sell them to customers. The winning team is the one who makes the most profit.	5
Year 7			
AUTUMN TERM	Life Curriculum – Whole year group Introduction to team working and study skills	To introduce students to three core study skills: dynamic reading, note-taking and conceptual learning and work applicable to lessons. Students will learn about their own identity as a learner, preferred style of learning and to develop study, organisational, research and presentation skills.	2
	MFL Curriculum - whole year group Language Day	All students have the opportunity to meet people from a variety of different nationalities and employment backgrounds to learn some words in several different languages.	4
	Business Curriculum - whole year group Cadbury World Business Trip	To visit a factory enabling students to apply knowledge learnt in the classroom learning about how chocolate is made and hear about Cadbury as a business. Talk from member of staff about Cadbury as a business, the history, marketing, manufacturing of products and careers within manufacturing and tourism industries.	5/6
	School Wide Event Personalised Planning Day	1:1 meetings with students, parents and tutors with the opportunity to key skills students may be need develop and set targets for the year. These may be academic or non-academic.	3
	Whole Year Group Event Year 7 Enterprise Challenge	An opportunity for all students to participate in an enterprise activity where they will work in teams to design rides and marketing to launch a new theme park. The focus is on transferrable skills to help prepare students to the 'world of work'. Public speaking opportunities whilst presenting their work to the year group.	5
SPRING TERM	Life Curriculum – Whole year group Study skills	Revisiting the three core study skills: dynamic reading, note-taking, and conceptual learning and further practice in developing these skills to enhance their own learning.	2

	Life Curriculum – Whole year group Building confidence	Visiting speaker Sarah Griffiths will speak to students about resilience, the power of the mind, affirmations, gratitude, meditation, empathy, kindness, forgiveness, daily healthy habits and instil confidence and build self-esteem. It will incorporate a range of activities that are interactive, self-reflective and promote a positive mind-set.	2
SUMMER TERM	Life Curriculum – Whole year group Record of Achievement - Life	To produce a record of achievement that is given to parents with reports reflecting on the first year at Priory. Students write their personal statement based on three areas: self-assured, selfless and successful. Students are encouraged to reflect on their strengths, areas for improvement and targets they want to work towards.	2
Year 8			
AUTUMN TERM	Life Curriculum – Whole year group Financial capability, stereotypes	An opportunity to engage in gambling! Students participate in a team activity based around gambling and reflect on how their behaviour may/may not change when they are 'desperate' for something. In addition, students look at budgeting deciding what to buy and justify their choices with limited money considering their 'needs' and 'wants'. Stereotypes: considering stereotypes in different situations using children's books to illustrate this to the students. Students learn about different stereotypes and then create their own picture book reflecting on what they have learnt.	2/3
	School Wide Event Personalised Planning Day	1:1 meetings with students, parents and tutors with the opportunity to key skills students may be need develop and set targets for the year. These may be academic or non-academic.	3
	Art Curriculum – Selected students Art workshop	Art workshop run by a local artist where students work on a focus for the day and learn about becoming an artist as a potential career.	4/5
	MFL Curriculum – top set Languages speaker	A local business person gives a talk on the importance of languages within their job.	5
	DT Curriculum – Optional after school club STEM	A number of students participate in weekly STEM club supported by Dr Green, a rocket scientist, working towards the Lego challenge. Students then attend LEGO league in Birmingham in December.	5

SPRING TERM	Life Curriculum – Whole year group Community project	An opportunity for students, in conjunction with Shrewsbury Town Council, to work on designing the floral displays close to the school with a topical theme. Emphasis is on transferrable employability skills and engagement with local community and environment. Some students present their ideas to representatives from Shrewsbury Town Council and the Mayor. The winning design is planted.	5
	English Curriculum – Whole year group Debate Ed Competition	A debating competition run by local solicitors Lanyon Bowdler where all students work on their debating, communication and public speaking skills. The event is held at the local FE college with several schools in attendance.	2/5
	Life Curriculum – Whole year group Study skills	Students revisit the study skills from Year 7 focusing on revision techniques including mind maps and revision cards. Students are shown and given the opportunity to make a revision timetable to help focus on their organisational skills and the importance of planning.	3
	English Curriculum – Whole year group Author visit	Authors visit the school and speak about writer's craft, the inspiration behind her stories, and a particular focus on their journey as a writer. Exact focus on the session depends on the author visiting.	5
