25th March 2021

Dear Parent/Carer,

You will know that at The Priory School one of our three values is Selflessness. We want our students to have a Selfless attitude towards others, their community and their environment.

You may also be aware that we have recently formed an **Eco Team** at the school with representatives from each form group looking at ways to improve our school community's contribution towards the local and global environment.

As a way to share and celebrate this direction, we have organised our first "community litter pick" that we have scheduled to take place on **Thursday 1st April 2021 at 1pm.**

You will know that this is the last day of the Spring term and we break up for the Easter Holidays at 1pm on that day. We are therefore seeking your permission for your child to stay behind at 1pm to take part in this activity. **They will be dismissed from school in the usual way at 2pm.**

This activity will take them out of the school grounds but they will be supervised by members of staff and will be provided with appropriate equipment to ensure they are safe and visible.

Although we would like as many students involved as possible this is an optional activity and we request your permission for your child to take part. Can you please use the link below to complete the form to give your consent for your child (or children's) involvement. Can you please do this before the end of Tuesday 30th March.

<https://forms.office.com/r/XBnedbs9MK>

The school canteen will not be open as school is closing at 1pm. Students involved in this event will be encouraged to bring food in to eat at break time as there will not be time to eat before the activity begins.

I do hope you and your child can support us with this activity.

Yours sincerely

Jeremy Tudor

Mr J Tudor
