### 1. Aims

The school aims to ensure that:

- A suitable member of staff is appointed as the designated teacher for looked-after and previously looked-after children
- The designated teacher promotes the educational achievement of looked-after and previously looked-after children, and supports other staff members to do this too, delegated to the Looked After Children Coordinator
- Staff, parents, carers and guardians are aware of the identity of the designated teacher and the Looked After Children Coordinator, how to contact them and what they are responsible for

### 2. Legislation and statutory guidance

This policy is based on the Department for Education's [statutory guidance on the designated teacher for looked-after and previously looked-after children](#).

It also takes into account [section 2E](#) of the Academies Act 2010.

This policy complies with our funding agreement and articles of association.

### 3. Definitions

**Looked-after children** are registered pupils that are:

- In the care of a local authority, or
- Provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours

**Previously looked-after children** are registered pupils that fall into either of these categories:

- They were looked after by a local authority but ceased to be as a result of any of the following:
  - A child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them
  - A special guardianship order

- An adoption order
- They appear to the governing board to have:
  - Been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and
  - Ceased to be in that state care as a result of being adopted

**Personal Education Plan (PEP)** is part of a looked-after child's care plan that is developed with the school. It forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential.

**Virtual School Head (VSH)** is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across schools to monitor and support these pupils as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians in respect of previously looked-after children.

#### **4. Identity of our designated teacher**

At The Priory School our named Designated Teacher is the Assistant Headteacher, Student Welfare, but the majority of the role is delegated to the Looked After Children Coordinator, Liz Tinsley.

You can contact them through [info@tpstrust.co.uk](mailto:info@tpstrust.co.uk) or calling 01743 284000

Our Designated Teacher and Looked After Child Coordinator take lead responsibility for promoting the educational achievement of looked-after and previously looked-after children at our school. They are your initial point of contact for any of the matters set out in the section below.

The Designated Teacher and Looked After Child Coordinator have training opportunities, including time away from timetable commitments, to acquire and keep up-to-date the necessary skills, knowledge and understanding to respond to the specific teaching and learning needs of looked-after and previously looked-after children, including a good knowledge of SEN.

Other members of the Student Support Team also work closely with the Assistant Principal (Student Welfare) and the Looked After Child Coordinator to support looked-after and previously looked-after children.

#### **5. Role of the designated teacher**

## 5.2 Supporting looked-after children

The Designated Teacher and Looked After Child Coordinator will:

- Make sure looked-after children's PEPs meet their needs by working closely with other teachers to assess each child's specific educational needs
- Have overall responsibility for leading the process of target-setting in PEPs
- Monitor and track how looked-after children's attainment progresses under their PEPs
- If a child is not on track to meet their targets, be instrumental in agreeing the best way forward with them in order to make progress, and ensure that this is reflected in their PEP (primarily the role of the Looked After Child Coordinator)
- Ensure the identified actions of PEPs are put in place
- During the development and review of PEPs, help the school and relevant local authority decide what arrangements work best for pupils (primarily the role of the Looked After Child Coordinator)
- Ensure that:
  - A looked-after child's PEP is reviewed before the statutory review of their care plan – this includes making sure the PEP is up to date and contains any new information since the last PEP review, including whether agreed provision is being delivered (primarily the role of the Looked After Child Coordinator)
  - PEPs are clear about what has or has not been taken forward, noting what resources may be required to further support the child and from where these may be sourced (primarily the role of the Looked After Child Coordinator)
  - The updated PEP is passed to the child's social worker and VSH ahead of the statutory review of their care plan (primarily the role of the Looked After Child Coordinator)
- Transfer a looked-after child's PEP to their next school or college, making sure it is up to date and that the local authority responsible for looking after them has the most recent version (primarily the role of the Looked After Child Coordinator)
- In the event of a full or partial closure we will continue to provide **in-school** provision for LAC children in line with advice from central Government. Any student who has been instructed to self-isolate will not be able to attend school, regardless of Key Worker/Vulnerable childstatus.

### 5.3 Supporting both looked-after children and previously looked-after children

The Designated Teacher and Looked After Child Coordinator will:

- Play a key part in decisions on how pupil premium funding is used to support previously looked-after children (primarily the role of the Looked After Child Coordinator)
- Encourage parents' and guardians' involvement in deciding how pupil premium funding is used to support their child, and be the main contact for queries about its use (primarily the role of the Looked After Child Coordinator)
- Ensure teachers have awareness and understanding of the specific needs of looked-after and previously looked-after children in areas like attendance, homework, behaviour and future career planning
- Be aware of the special educational needs (SEN) of looked-after and previously looked-after children, and make sure teachers also have awareness and understanding of this (primarily the role of the Looked After Child Coordinator)

- Make sure PEPs work in harmony with any education, health and care (EHC) plans that a looked-after child may have (primarily the role of the Looked After Child Coordinator)

- Ensure that they and other staff can identify signs of potential mental health issues in looked-after and previously looked-after children and understand where the school can draw on specialist services
- Put in place robust arrangements to have strengths and difficulties questionnaires (SDQs) completed for looked-after children, and use the results of these SDQs to inform PEPs
- Put in place mechanisms for understanding the emotional and behavioural needs of previously looked-after children (primarily the role of the Looked After Child Coordinator)

### 5.4 Relationships beyond the school

- Proactively engage with social workers and other professionals to enable the school to respond effectively to the needs of looked-after and previously looked-after children (primarily the role of the Looked After Child Coordinator)

  - Finding ways of making sure the latest information about educational progress is available to contribute to the statutory review of care plans
  - Ensuring mechanisms are in place to inform VSHs when looked-after children are absent without authorisation and work with the responsible authority to take appropriate safeguarding action (primarily the role of the Looked After Child Coordinator)
  - Talking to the child's social worker and/or other relevant parties in the local authority regarding any decisions about changes in care placements which will disrupt the child's education, providing advice about the likely impact and what the local authority should do to minimise disruption (primarily the role of the Looked After Child Coordinator)
  - Making sure that, if a looked-after child moves school, their new designated teacher receives any information needed to help the transition process (primarily the role of the Looked After Child Coordinator)
- Seek advice from VSHs about meeting the needs of individual previously looked-after children, but only with the agreement of their parents or guardians (primarily the role of the Looked After Child Coordinator)
- Make sure that for each looked-after child:
  - There's an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress
  - School policies are communicated to their carer and social worker and, where appropriate, birth parents
  - Teachers know the most appropriate person to contact where necessary, such as who has the authority to sign permission slips
- Where a looked-after child is at risk of exclusion:
  - Contact the VSH as soon as possible so they can help the school to decide how to support the child to avoid exclusion becoming necessary
  - Working with the VSH and child's carers, consider what additional assessment and support needs to be put in place to address the causes of the child's behaviour and ways to improve it
- Where a previously looked-after child is at risk of exclusion, talk to the child's parents or guardians before seeking advice from the VSH on avoiding exclusion
