Dear parents and carers

There have been some very recent developments around the stock and supply of certain styles of our school skirt which has meant we need to re-evaluate the choice on offer. The **full pleated skirt** is now no longer supplied in our school uniform colours; this is beyond our control and was a decision made by the manufacturers.

Therefore, in order to preserve some element of choice around style and price we will retain the 4-pleat skirt, which I know will be welcomed by many. However, if choosing the 4-pleat skirt the shorter length will no longer be available. We do realise the girls roll the skirts up and we address this in school but please support us in purchasing a skirt of the correct length (must be on or below the knee) which is outlined in the School Uniform Policy at: [School Uniform Information \(tpstrust.co.uk\)](http://tpstrust.co.uk). The new Trutex skirt will continue to be available from school until July, after which it can be purchased from the School Shop Direct together with the 4-pleat skirt.

Please also bear in mind that we do not expect you to buy a brand new skirt. We have a number of high quality, hardly worn items in stock in school; please contact us if you would like to see if these can be of use to your child.

Apologies, for any confusion this has caused but we have only recently been informed of the changes.

Yours sincerely

Mrs A Pope
