

The Priory School

January 2023

Issue 4

Mrs Alison Pope Headteacher

Dear Parents and Carers,

Welcome to our first spring term newsletter. I hope you find it a useful insight into life at school.

We are looking forward to welcoming many of you into school for our annual school production, High School Musical. The cast have been tirelessly rehearsing with Miss Jones and Mr Austin; it is set to be one of our best yet. If you haven't already purchased your tickets, this can be completed through ParentPay.

Year 11 have been working hard post mock exams and are leading by example in and out of the classroom. Any revision or intervention sessions are published in their planner if you want to encourage their attendance. Some sessions may be by invitation only at this stage, but this will not be the case for all subjects; please ask your child to speak to their class teacher if they need any clarification. Their final exam timetable will be published and sent out next half term once these are finalised by the exam boards, based on our entries.

It has been good to see our attendance levels pick up as a school, despite the illnesses that were circulating during the Christmas period. Thank you for your support with this. We are focusing on punctuality to school at the moment as this has slipped for some students. A reminder that it is important that all students are on site no later than 8.30am so they can be ready for registration at 8.35am. Morning registration is an important part of the day for checking pupils have everything they need for the day ahead as well as receiving messages to do with the school day. We will be focusing on anyone who is signing in late after the end of registration without a valid reason such as a medical appointment. Currently those who persistently do this report to a member of SLT at break time,

A plea from local residents, especially along Priory Ridge, that any parking to collect students does not block their drives or prevent them from accessing the frontage of their house. I've received a number of phone calls to ask me to remind parents.

From January, we started to phase out the green skirt due to supply issues and have moved to a black, pleated style. If a skirt needs to be replaced as they are no longer near knee length, then please check the uniform information on the website. Trousers can also be worn but please note these should be school trousers and not fitted. If you have any doubt, please contact school. We do have a small stock in school to be able to support families; please contact Liz Tinsley or Lizzie Robey if this is needed.

Could I please remind parents that long, artificial nails are not suitable for school for health and safety reasons, especially in PE but also other practical lessons. If your child has them, could you please make sure they are a safe length by 27th February.

We are already looking forward to World Book Day, which takes place this year on 2nd March. We would love all students to come to school that day dressed as a character from a favourite book, either full costume or with a small prop that gives us a flavour of that character. World Book Day is part of our year-round drive to promote reading with students. We have a very well-stocked library with enthusiastic and experienced librarians. Reading has so many benefits, from developing creativity to increasing vocabulary — please continue to encourage your son/daughter to borrow and read books, either from our school library or from Shrewsbury Library in town.

Thank you to everyone for your continued support of the work we do in school. Wishing you all a very happy half term. As always, this is an opportunity for you to give the school feedback. Please complete the following link to share your views.

<https://forms.office.com/e/zkczS5W45x>

Kind regards

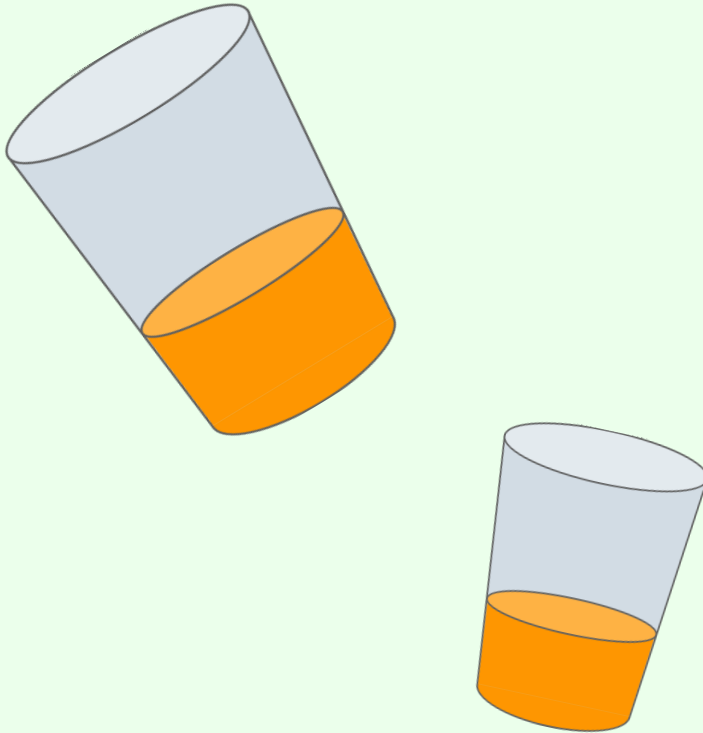

Mrs Pope

Headteacher's Breakfast

The Headteacher's Breakfast takes place weekly and is awarded to students who have been nominated by teachers for a variety of reasons. Students attend a special Breakfast with Mrs Pope where they can share their successes and achievements. This half-term the following students have been selected:

Students	Form
Lucy W	10K
Marcie T	10K
Kaitlyn L	10K
Hannah G	10F
Marcie T	10K
Annabel B	10K

Attendance!

We are proud to announce that The Priory School has received an award for excellent attendance. A huge thank you to students and parents/carers for supporting the school in this way; it reinforces our collective understanding of the importance of attending school and recognises the efforts of our whole school community. We narrowly missed being in the top 10% so that is our goal for the Spring term!

National School Attendance Award

2022/23 Autumn Term

Top 25% of all FFT Secondary Schools in England

Attendance!

Meet our new attendance officer, Nicole. Nicole started with us in January and is settling quickly into her important role. Nicole will be integral in helping the school increase attendance. For any queries in relation to attendance, please email attend@tpstrust.co.uk

Library News

Local Author Visit

Judy Arliss, one of our Priory Alumni (cohort of 1953) visited the school library recently to talk to our Creative Writing Club and student librarians. Judy went on to a career of teaching and writing. The students greatly enjoyed hearing about her life experiences, old bomb shelters in the school field and how the same corridors we walk today were open to the elements. Judy has just launched a new book, *Natalie and Nassima* with a signing at Shrewsbury Library. It is available to purchase via Amazon.

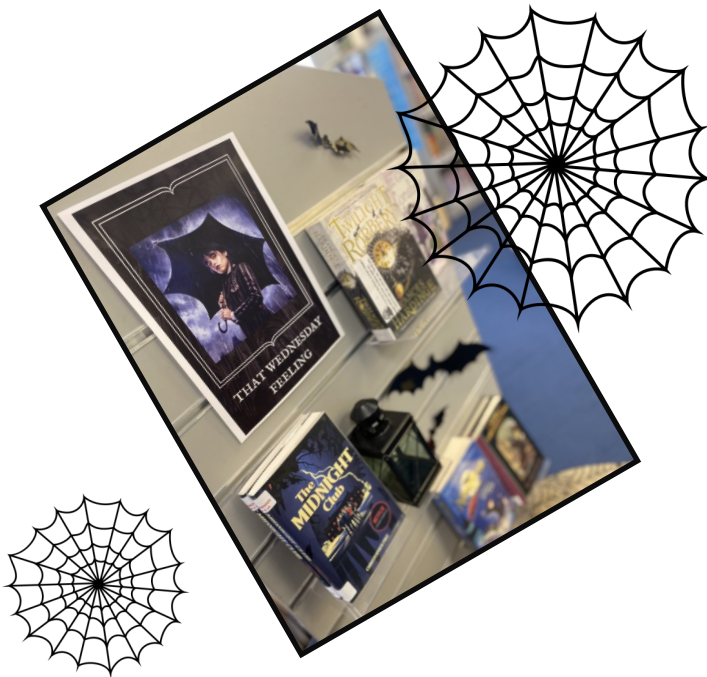

World Book Day - Thursday 2nd March

We positively encourage pupils and staff (in all areas of the school) to pay £1 towards our charitable fund, and dress on the day in costume or display a visible connection to a favourite book, genre or character. In the past we have seen wonderful examples of this — creative young individuals and whole tutor groups working together with a theme.

Please do not feel pressure to buy or hire full costumes. We have a rail of free items in the library for students to take, or please encourage your child to look at using items of clothing or simple props (that can already be found within the household, or be acquired cheaply, made or customised). Our Head of Frank House, Mr Austin, models an effective, no-spend example from last year.

On World Book Day itself, we will have prizes for the most creative costumes, themed decorations through the English department and a whole school, House *Masked Reader* competition. The usual £1 voucher (to swap for a free book in a local book store such as Waterstones or WHS) will be sent through to you separately via email this year. The paper vouchers have been replaced with a QR code this year. Our local independent bookseller, Pengwern Books, will not be stocking the special £1 books appropriate for older readers, but they will discount £1 off the price of a children's book in exchange for the voucher. Please opt for the experience of visiting a local bookshop rather than a supermarket. The charity is driven and sponsored by the Booksellers Association.

Library News

Holocaust Memorial Day

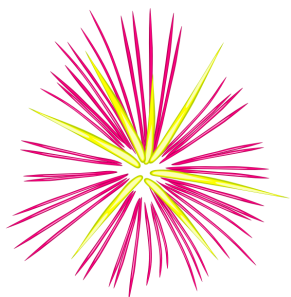

On the 27th January, we marked Holocaust Memorial Day in the library, remembering the millions of people murdered in the Holocaust, under Nazi Persecution and in the genocides in Cambodia, Rwanda, Bosnia and Darfur. See the [Virtual Library](#) Padlet for a recommended reading list of books available to borrow. We are also giving out free booklets supplied by the HMD Trust whilst stocks last.

As always, please do get in touch if you have any reading or book queries library@tpstrust.co.uk.

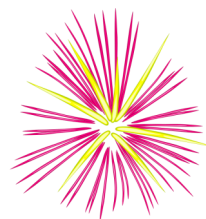

Mrs Edwards & Miss Donegan

Charity Success!

Nightingale raised an astonishing £433 for charity with the Christmas hampers!

Thank you to all who donated, purchased tickets, and organised hampers. Well done!!

esrever Advent

December 2022 saw our annual collection for Barnabas Food Bank Shrewsbury, and this year we also supported Grinshill Animal Rescue.

As you can see from the photographs, our form groups were incredibly selfless, collecting more than 50 boxes of food and treats for the two charities. Both charities were incredibly thankful for our donations, and it was very heart-warming when dropping off our donations to the Food Bank, to see how many local people and businesses were involved in giving back to the community.

Queen's Memorial

On a cold Sunday morning in December, four Year 11 students (Molly Switonski, Lara Debenham, Beth Bromwich and Harry Thomas) accompanied Mr Tudor and a group of community leaders at the Stanley Lane Recreational Fields to plant trees and bulbs in celebration of the life of Queen Elizabeth II. As well as creating a fitting memorial to the late Queen's life, the hope is that these trees provide a more pleasant community space for years to come with a plan for benches under the trees. These students have signed up to help with the watering rota for these trees over the coming months as the new trees establish over the summer of 2023.

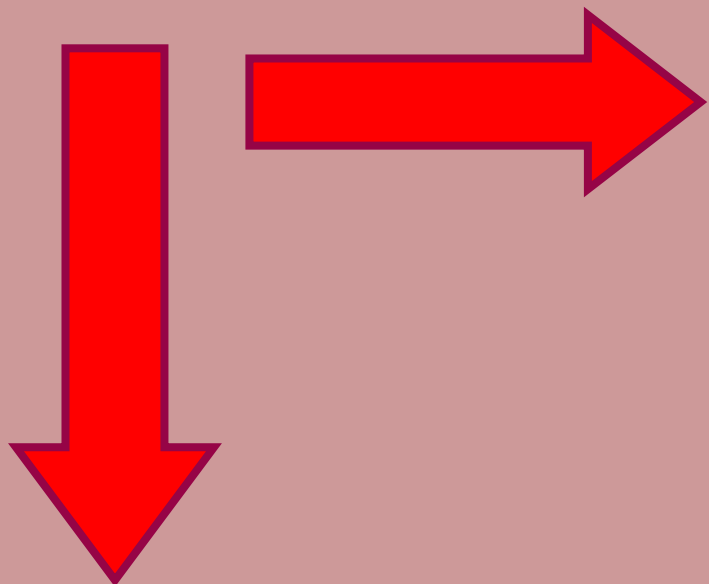

Roses are red

Violets are blue

FN is talented

Here's proof that it's true!

Valentine's Day!

7N were busy making and selling paper roses for Valentine's Day for their next charity fundraiser.

They raised £50 and the roses looked (and smelled) gorgeous.

LOVE the talent!

Science Live

The Science department took over 60 Year 10 students to Science Live in Birmingham in January, where they experienced live talks from leading scientists and researchers such as Lord Professor Winston and the AQA Chief Examiner.

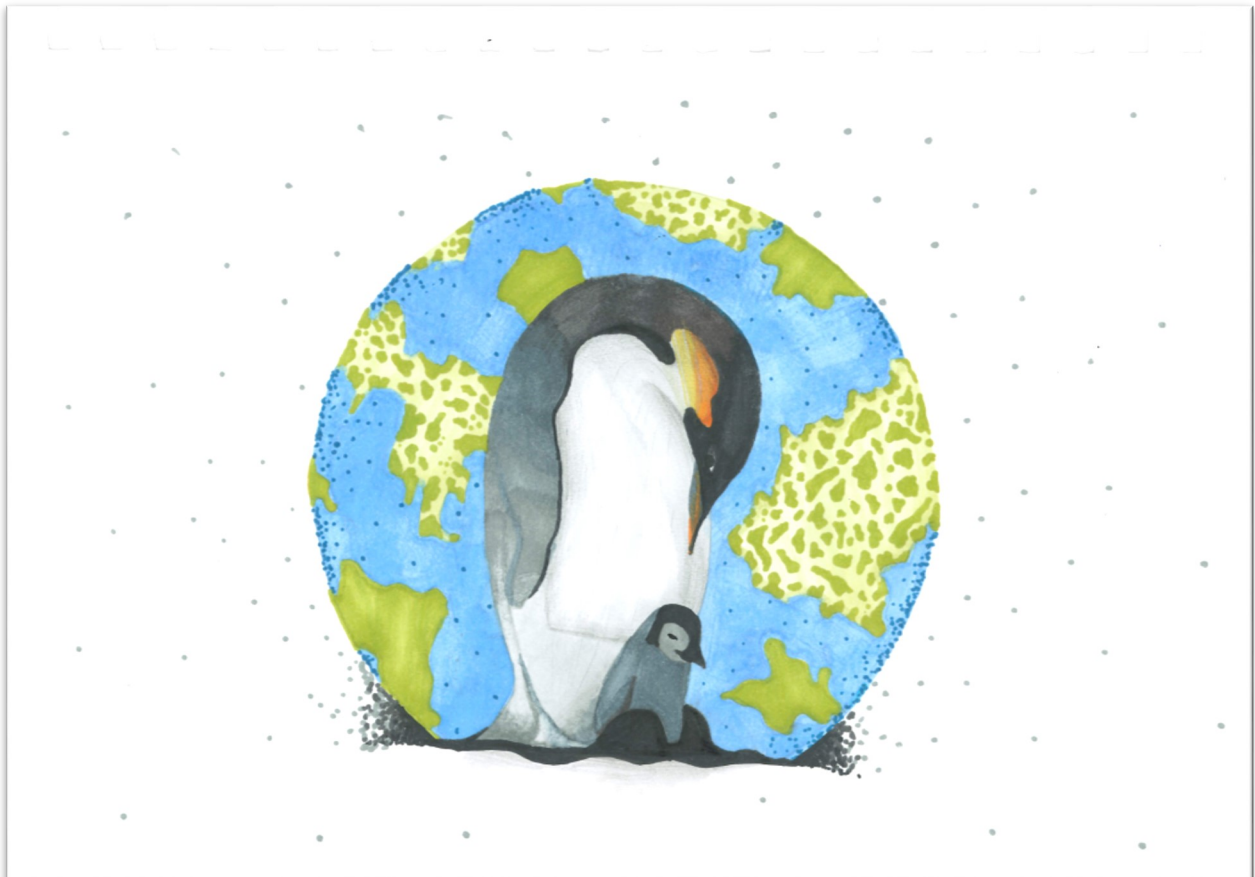

Antarctica Flag Design Competition

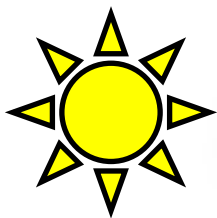

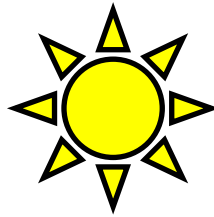

The winning entry for the Antarctica Flag Design House Competition for Year 7 is ... Mayir Beaman, 7A! Congratulations, Mayir! Her **beautiful** design is below.

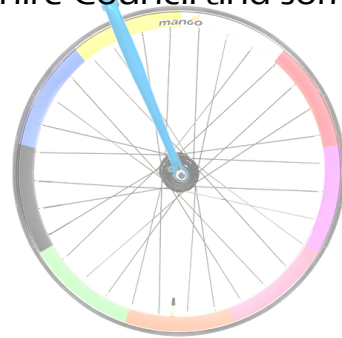

Languages Breakfast

In January, we held Languages Breakfast in the Library. It was a lovely event! Current Year 10 and 11 Languages students came to discuss option choices with Year 9s.

Bikeability

Level 3 Bikeability has launched at The Priory School this term with 180 students signed up for this fantastic opportunity to develop their confidence cycling safely on the roads. Students have been going out in groups of 6 with Bikeability instructors. This is a fantastic initiative provided by Shropshire Council and something we're really pleased to be involved with.

Netball Champions!

A big well done to the Year 9 girls pictured above. Just back from Ellesmere College, North Shropshire Plate Champions, having won all their matches!

Netball

On January 27th, our Year 10 netball team travelled to play Concord College; a very close game losing by 2. Captain, Maddi Hawkins, was chosen as player of the match.

We also took 2 teams of GCSE PE students to play Volleyball. A mixture of results for both teams.

On February 3rd, netball teams from The Learning Community Trust came to play our Year 8, 9 and 10 teams. Very close losses for Year 9 and 10, but our Year 8 team won by 8 goals.

Some great netball being played! Well done to all girls who continue to train and represent our school. More matches and district tournaments will take place after half term.

Mrs Griffiths

Basketball

Y11 Basketball

The Y11 basketball team have played two games, and two tournaments this year, with one game still to play.

Two fixtures have come against the Marches School, both away from home.

The first encounter was a tight and even affair, with both teams trading points throughout the game. Andy T scored a basket on the buzzer, forcing the game into overtime. The Marches pressed hard, and scored the game winner at the end of over-time, to win 29-27.

The second game, again, came against the Marches school, which was moved to an away game due to facility pressures at The Priory. The team welcomed back Liam P into the side, after injury, so the team were in high spirits going into the game. Buoyant off the back of their last close encounter, The Priory started sharply in a scrappy game. Joe B & Andy T being the standout performers. The game was less flowing, and neither team pulled into a significant lead, with the scores level at the end of the third quarter.

The Marches eventually won 18-16, with The Priory almost forcing overtime again.

The Shrewsbury District Cup proved to be a tough affair, with the top two teams in the district, Meole Brace and Shrewsbury Academy, both beating The Priory School. The Shrewsbury Academy game proved to be the closest, losing by a point in the final seconds.

Results:

- ◆ Marches **25-25** Priory (Marches win in overtime)
- ◆ Marches **18-16** Priory
- ◆ Shrewsbury district tournament **3rd** place

Fixtures remaining: Tbc (H)

Y9 Basketball

The Year 9 team have had 3 fixtures and a tournament this year, forming part of a South Shropshire basketball league.

The Year 9 teams' first game of the year was at Meole Brace School, with the hosts running out comfortable winners.

The teams' second outing came in the Shrewsbury District Cup, where they faced Shrewsbury Academy, Meole Brace, Mary Webb, and Belvedere. The Priory team played well, with Dan B and Tom W playing particularly well in beating Shrewsbury Academy and Belvedere. Two losses against Meole and Mary Webb resulted in a 3rd place finish, overall.

The Year 9's latest fixture came against William Brookes school. The team welcomed Luke D back into the side, as well as Joe T. Both made an immediate impact, coming off the bench to play well with good rebounding and passing.

Despite a poor first quarter, the team won the remaining three quarters, to finish the game with a 29-30 loss, almost winning in the last second of the game. Man of the match, and stand out performer, was Tom W, scoring the lion's share of the teams' points.

Results:

- ◆ Priory **16-32** Meole
- ◆ William Brookes **30-29** Priory
- ◆ Shrewsbury District Cup- **3rd** place

Fixtures remaining: Belvedere (A), Tbc (H)

Volleyball

Y11 Volleyball Fixtures

Concord College 3rd November 2022

Over the academic year, students have played competitive volleyball on three occasions, against experienced sides.

The first competitive games of the season were against Concord College, where a large cohort of students were taken, playing in a variety of teams, to give students the experience of playing competitive volleyball.

Concord succeeded on the day, winning all games, however, students learned a lot about the game, and demonstrated good team play throughout the games.

Concord College 19th January 2023

The 3rd November was a smaller squad consisting of the extended Y11 'A' Team and Y11 'B' Team. This round of fixtures proved more successful, with the A Team, consisting of Diogo C, Rhys D, Joe L, Will D, Charlie B and Liam P, winning 25-4 against a strong Concord 'A' Side.

A competitive game followed for The Priory B Team, consisting of Lucy N, Tilly E, Mac H, Dan S and Toby B, who pushed the Concord B Team throughout their match. Concord B Team went on to win by a comfortable margin.

The last two games consisted of mixed teams, for both sides, with The Priory winning one game, and Concord winning the other, the overall result a draw between the two sides.

- ◆ Priory 'A' **25-4** Concord 'A'
- ◆ Priory 'B' **14-25** Concord 'B'
- ◆ Priory 'mixed' **16-25** Concord 'Mixed'
- ◆ Priory 'mixed' **25-10** Concord 'Mixed'

Lacon Childe A. 7th February 2023

An appreciative Priory A and B Team welcomed Lacon Childe after a long journey from South Shropshire, who brought their A Team to play our A and B Team.

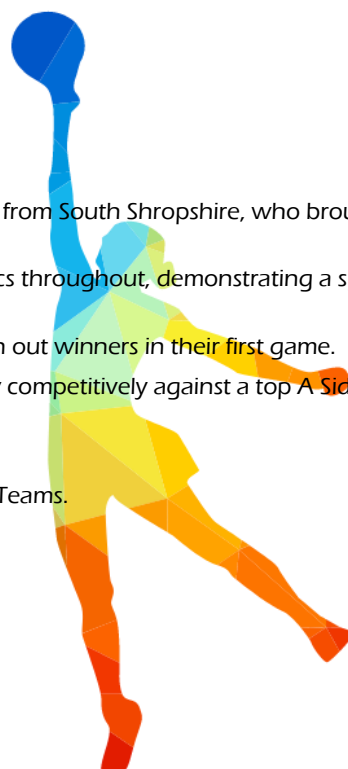

Lacon Childe, a nationally recognised volleyball school, played with excellent tactics throughout, demonstrating a specific rotation which The Priory students were new to.

Despite this, the A Team (Diogo C, Will D, Charlie B, Harry T, Joe L and Rhys D), ran out winners in their first game.

The Priory B Team (Charlie B, Lucy N, Tilly E, Ella B, Dan D, and Liam P) played very competitively against a top A Side, finishing the game 11-20.

The last two games were close, however, Lacon A ran out winners, against our A Teams.

- ◆ Priory 'A' **20- 18** Lacon Childe
- ◆ Priory 'B' **11-20** Lacon Childe
- ◆ Priory 'mixed' **17-20** Lacon Childe
- ◆ Priory 'mixed' **17-20** Lacon Childe

Student SPOTLIGHT

Alice & Rowan

Year 7 students, Alice Deacon and Rowan Evans, have been selected for the U13 Shropshire Cricket Squad from a trial of nearly 70 girls across the country! Well done, both!

This 5 week workshop aims to support parents and carers to make positive changes to their child's sleep patterns. Life can be difficult when children have sleep issues. Our aim is to support families to get a better night's sleep by using a behavioural approach to sleep and work in partnership with families, as we know that they are the expert on their children.

Workshops provide parents and carers with the opportunity to meet other families in similar situations and to gain tips on how to support a better night's sleep for them and their child.

Futures Focus

A quick update on the careers activities for this half term and what is coming up

Year 10 visit to University of Birmingham

Fifty Year 10 students visited University of Birmingham in January to learn more about university life. They met with students who were able to answer their questions, had a tour of the facilities at the university, and learnt about the huge range of different courses that are available to undergraduates. They learnt about the importance of GCSE results for their university applications, and the 2.7 million books in the library and impressive sports facilities certainly showed the scale of the resources available at higher education.

Year 10 university finance talk

University of Chester visited The Priory School to give a presentation to all Year 10 students about university finance. They covered the difference between tuition and maintenance loans and how these are paid back over many years depending on income levels. The overriding message was: whilst university isn't for everyone, it should be affordable for everyone.

Department for Work and Pensions talks

The DWP delivered talks this half term, focusing on labour market information (LMI) and 'What employers want'. Year 8 learnt more about the local labour market, in particular within Shropshire and Herefordshire, and which jobs are predicted to grow over the coming years. Year 9 focused on the importance of employability skills and why these are so important to securing a job — as the DWP said, qualifications will get you the interview, but it's your employability skills that will get you the job.

National Apprenticeship Week

As part of National Apprenticeship Week, SBC Training delivered an assembly to all Key Stage 3 about apprenticeships. They covered the different types and huge variety of apprenticeships available to students both at 16 and beyond.

All Year 10 students took part in our annual apprenticeship event where they heard from young apprentices, including degree level, about their journeys and why they chose apprenticeships. Learning first hand from apprentices gives valuable information to help with their decision-making in the future.

Shrewsbury School University Fair

Over thirty Year 11 students attended Shrewsbury School University Fair, where they had the opportunity to speak with over forty different universities as well as gap year and overseas providers. Whilst many students are not sure exactly what they want to do, gathering so much information, understanding the importance of GCSE results and A Level choices will help students make informed decisions over the coming years.

Coming up in the Spring Term

National Careers Week — 6th March 2023

Year 9

- Apprenticeship and Employability Skills Show, Telford — 50 students will have the chance to talk to employers about many different types of apprenticeships — and probably collect a few free gifts too!
- Employability Skills event — students will have the opportunity to develop their team working and problem solving skills in workshops

Year 10

- Army Elite Skills Workshop — a talk from The Army about different careers and then a chance to develop their employability skills through a range of activities, including walking through a 'minefield' blindfolded and passing a team through a net without touching the sides.
- Bank of England — 40 students will have the opportunity to learn more about the Bank of England and careers within that sector from Michael Marsh who will be visiting from the Bank of England.

If you are able to offer your support with any events or would like to know more about our careers education, please contact Mrs France at info@tpstrust.co.uk.

Alumni Update

The Priory School Alumni is a network of past students who would like to keep in touch with school and their peers.

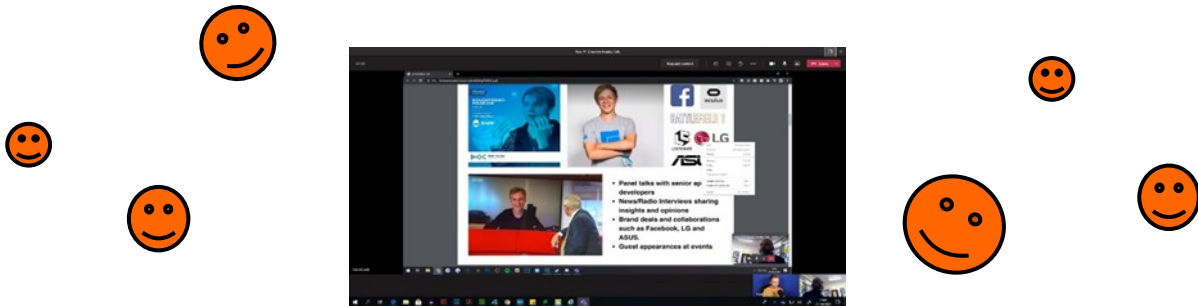

The Priory School Alumni News

We have been delighted that some of our members have been able to support the school by talking to students on various subjects. This is invaluable for us and helps to enrich the curriculum and enhance community engagement for our students. Please see some examples below:

Fred Pye

Computer Science - Fred delivered a presentation to Year 10 and 11 iMedia students. The presentation covered multimedia areas such as preparing online content in terms of graphics, audio, video, working with or on different platforms, and legal implications. Fred also gave students an insight into 16 possible career opportunities relating to multimedia expertise.

Drama - Fred was very involved with Drama when attending The Priory School. He very kindly agreed to conduct a question and answer session with students about his career path since leaving school, with a particular focus on how Drama helped him succeed. The session was recorded and a video produced, which was shown during the school's Year 9 Options evening.

James McKie

Geography - James delivered a virtual presentation to Year 9 Geography students about what is involved in moving to Sweden and his career path. The students really enjoyed the session and fed back comments such as:

- Really interesting; I'd like to go and visit Sweden now.
- Love the sound of going there, but I would also miss fish and chips.
- Enjoyed the talk and the questions; would love to do more of this in lessons for people in different countries.

Adam Shantry

PE - Adam will be talking virtually to our GCSE PE students about his sporting career pathway since leaving The Priory School. Adam is a cricket professional and is currently Head Coach at Shrewsbury School. He played professionally for Northamptonshire CCC, Warwickshire CCC, and Glamorgan CCC. He also played overseas in Australia, South Africa, and the West Indies.

Alumni Update

The Priory School Alumni is a network of past students who would like to keep in touch with school and their peers.

Dan Braddock

PE - We were delighted when Dan contacted us, offering to talk to our PE students. Dan is a former student from The Priory School and is involved in a number of sports clubs in the area. He holds a number of positions within these clubs from admin to coaching. Dan is also a keen sportsman.

Dan came into school and spoke to our Year 10 cohort during a life lesson about his experiences and volunteering roles within sport.

Judy Arliss and Gloria Lewis

English @ Work and Careers Event - Judy and Gloria came to school and spoke to Year 9 students about their career paths and English skills. They were at Priory in 1953 and the students were fascinated to hear about how the school was at that time.

Judy is an author and has agreed to come to school to talk to our students, who are working as librarians in the school library, about her experiences.

If you are a past student of The Priory School
and would like to find out more, please visit
<https://priory.tpstrust.co.uk/community/alumni/>

We would love to hear from you!

Swishing Swap
