Mrs Alison Pope

Headteacher

Dear parents and carers,

I hope you enjoy reading this newsletter, highlighting life at school, important events and pupil successes. It's hard to believe that another term is behind us; it's been a long one for a number of reasons.

- We celebrated the school's best ever results, validated by the Department for Education; the best pupil progress in any comprehensive, in Shropshire.
- Year 11 and Year 9 worked very hard during their respective exam periods. They should be incredibly proud of how they conducted themselves.
- House Music will be held on 14th December and I'm looking forward to hearing and seeing the individual House pieces in full; it's shaping up to be a memorable evening and I'm looking forward to welcoming parents and carers into school to enjoy it all.

However, I am sure that you will have noticed by now that we have not been able to announce our published Ofsted report. We did receive the draft report at the end of November. Usually this would then be quite quickly turned around and converted into the final report. Unfortunately, I, the Governing Body, and The 3-18 Trust are currently challenging a number of aspects around Ofsted's conclusions but also their conduct while they were with us. When I wrote to you soon after they left us, I highlighted just how well supported we were by you but also how well school ran during the two days. I would like to again thank you and the pupils for this, as well as my staff, who were incredible throughout. I am unsure how successful we will be, but I, my leadership team, the Trust and the Governors will fight for a fair report. At this stage I am not permitted by Ofsted to share any more with you. There will no doubt be many rumours circulating. I would ask that should any speculation reach you, it is put to one side and that you continue to support us over the coming period as we will need a united front. Once I am able to share more with you, I will.

PARENT SURVEY

Please take the time to complete the short survey below. We value your feedback:

<https://forms.office.com/e/r8w5q4bUfz>

We're looking forward to having everyone back with us on Wednesday 3rd January.

Wishing you and your families a very happy and relaxing festive break.

Many thanks for your ongoing support of school.

Kind regards

Mrs Pope

Governor's View

We would like to welcome Carol France to the Local Governing Body (LGB).

Carol France has filled the teaching staff governance role. Carol nominated herself and said, "I have been a member of staff at The Priory School for 11 years now and a teacher for 17! This brings with it a huge amount of knowledge and expertise not only about how schools are run but the demands of the profession too. In addition, I have a business background working in marketing and public relations for a number of years before retraining as a teacher. This business understanding will help me to see the challenges of the school from a business perspective as well as the teaching perspective."

Thank you for taking on the responsible role of Local Governor.

We still have one vacancy to fill, so if you would like to know more about the work of the Local Governing Body, please contact our Chair, Ian Peterson, at ian.peterson@318education.co.uk.

CHARITY UPDATE

Our charities:

- * WWF (World Wide Fund for Nature)
- * Cancer research UK
- * Dogs Trust
- * We also support various other charities throughout the year through different school events

Our trip to AlRea51 was a really positive fundraising event; a good turnout that was lots of fun!

Our non-uniform day raised money for Children in Need and Christmas Jumper Day raised money for Save the Children. Participation was high for these events and we raised over 1500 across the two days.

Our McMillan Coffee Morning was a huge success, and of course Remembrance Day raised money for the Royal British Legion.

A special mention to 8N for their wonderful charity hampers!

-Mr Bucknall

A Note on Private Tutors

We would like to remind parents and carers of the need to ensure that anyone you are looking to 'hire' as a private tutor needs to be vetted to ensure they have the appropriate credentials and safer recruitment checks in place.

Lost Property

At The Priory, we receive a lot of lost property at reception. This is mainly drink bottles (oh my, the drink bottles!) and clothing like PE kits. Named items are returned to students but for those without names, to prevent a chaotic build-up of unclaimed items, lost property is either given to Student Support or donated to charity after 3 weeks. Thank you for your support.

A-PLAN SHREWSBURY'S SCHOOL UNIFORM EXCHANGE

Local Insurance Broker A-Plan Shrewsbury are launching a school uniform exchange to support families facing financial pressures this back-to-school season.

Chris Beane, Branch Manager at A-Plan Shrewsbury, said: “With the cost-of-living crisis continuing to bite, affecting energy bills, housing costs and food prices, many families are facing tougher financial pressures. School uniforms are a significant expense each year, but prices have risen considerably. And, when you couple this with kids’ growth spurts, moving into a new year or a new school, and the potential for lost property, the cost can quickly add up!

We’re always looking for ways to support our local community, and the school uniform exchange made perfect sense in the current circumstances. It’s an initiative that’s free to use, hopefully reducing costs for families, as well as clothing waste. We hope it alleviates some anxiety for parents and provides a useful resource for everyone in Shrewsbury.”

Anyone in the local area is welcome to participate in A-Plan’s school uniform exchange, whether to donate or pick up items they need. To take part, all you need to do is either visit the branch (8 High Street) between 8:30am and 5pm on weekdays, or 9am and 12pm on Saturdays, or contact us on 01743 455900 or shrewsbury.office@aplan.co.uk to find out more.

Free School Meals

FAQ: Free School Meals in Relation to Lunch Accounts

When a student has Free School Meals, they are allocated £2.40 per day for this. This amount is credited to their lunch account and does not roll over to the next day if any of that amount is not spent.

The £2.40 covers the lunch deal, but the money itself is not 'reserved' for this. What this means is that if snacks are bought at break time, this will be taken from the £2.40 Free School Meals amount, resulting in there not being enough of that allocated money left to cover a free lunch.

In addition to this, if you put money on your child's lunch account to cover snacks/additional food and they purchase these snacks before lunch, this will be taken from the £2.40 Free School Meals amount and not the money that you've put on the account. This is because any food purchases come off the Free School Meals amount first, before any additional credit you have added.

We hope this helps to clarify the way Free School Meals works in relation to lunch accounts.

GCHQ National Language Competition 2023

Over two days in November, Year 9 enjoyed time dedicated to finding out about GCHQ, the UK's intelligence, security and cyber agency. Students learnt why languages such as Arabic, Russian and Mandarin are so important to GCHQ and how it is possible to learn these languages from scratch at university if you have studied French or Spanish at GCSE and A Level. They learnt new information such as how globally Mandarin has the largest amount of native speakers, Russia is spread over one-seventh of the earth and Arabic is an official language in 22 countries around the world.

Students then experimented with these new (and tricky!) languages, learning some sounds, vocabulary and phrases. Finally, they all took part online in the GCHQ National Languages Competition 2023, which focused on code breaking and pattern spotting to give them a taste of what it might be like to work at GCHQ intercepting and interpreting a variety of coded information. The winners will get a very rare opportunity to have a look around the GCHQ Headquarters in Cheltenham so we are keeping our fingers crossed!

Young Textile Design Competition 2023

It certainly was a challenge and it paid off! Our group of six, very enthusiastic students L to R — Millie Burton, Lottie Morris, Ruby Verling, Elsa Thorpe, Ava Sherwin and Erin Burton volunteered to join a lunchtime club to enter this competition run by The Drapers Guild, a long established charity who supports Almshouses and the preservation of historic buildings in the town. The theme was simply “wool”. Their superb woven/felted wall hangings won them many accolades! ... a whole range of gold, silver, bronze and commend-ed awards considering they only had a matter of seven weeks to complete them! Well done!

School Canteen

In the cold weather, our lovely canteen staff have offered warm puddings served with custard and hot fillings at the Deli Bar!

Círcuít's!

I don't know how you start *yours*, but at The Priory School you can start Fridays (and Tuesdays) at Mr Walters' Circuits Club! A 7:40am start for our students keen to make an active start to their day.

Year 7 House Football

54 Year 7 students competed in the House Football Competition on Wednesday 25th October 2023.

There were plenty of goals, and excellent play throughout the afternoon!

Nightingale took the plaudits, to win Year 7 House Football, with King in second, and Attenborough in third place.

Year 10 Maths University Day

Firstly, a huge thank you to Mark Deacon who had to 'very last-minute change his plans' to help with our day out, and without him stepping up, we wouldn't have been able to go!

On Tuesday 12th December, a group of year 10 students had a fantastic opportunity to see what University could look like studying either Maths, or a Maths-based degree. Warwick University hosted the event, and so after a very early start and a lengthy drive in the minibus, we made it the Zeeman Building Lecture Hall.

The students were impressed by the lecture hall when we walked in, which is an experience in itself, and were then thrown immediately into a maths quiz for the first part of the day (at the end of the day we found that the team of Belle Raaff, Maisie Jones and Niamh Humphreys-Clowes came third in the maths competition, against some really high-class opponents, so a huge congratulations to them)!

The day was broken up in the different lecture halls and seminar rooms, and we looked at maths, statistics and economics, where students had the chance to work with other groups from other schools.

The last part of the day involved us returning to the main lecture hall (photo below), with a chance to look at new material that students have not covered so far in their GCSE course. We talked about Euclid and his influence in maths with geometry, then used origami, bisecting, trisecting and hexaflexagons (some were more successful than others).

Hopefully, a day to inspire and encourage some of our wonderful mathematicians about future prospects.

Students involved:

Belle Raaff, Charlie Bevan, Charlie Norman, Daisy Keeney, Danielle Pugh, Edward Jacobs, Erika Howells, Ethan Blakeway, Frederico Ribeiro, Jack Hawes, Maisie Jones, Niamh Humphreys-Clowes, Sam Taylor, Stephen Maxfield, Thomas Emonson.

Year 9 & 10 Maths Career Webinar

On Monday 13th November, a selection of Year 9 and 10 students were given the opportunity to see where a future with maths could take them, and we joined the “What Career? (Maths Based Jobs)” webinar, where three professionals talked about their experiences, roles, and the maths they use in their job.

Grace — Exploration Geologist

Katie — Architect

Emilie — Environmental Intelligence

All were interesting, and gave students ideas and hopefully encouraged them to take some form of mathematics post GCSE.

Year 9 Maths Picnic

On Monday 20th November, we were lucky enough to be invited to AMSP’s Regional Maths Picnic, hosted by Idsall School, Shifnal.

This meant taking a selection of our Year 9 students, put into teams of three, to compete against other teams from around the local area, being immersed in mathematical problems and abstract thinking!

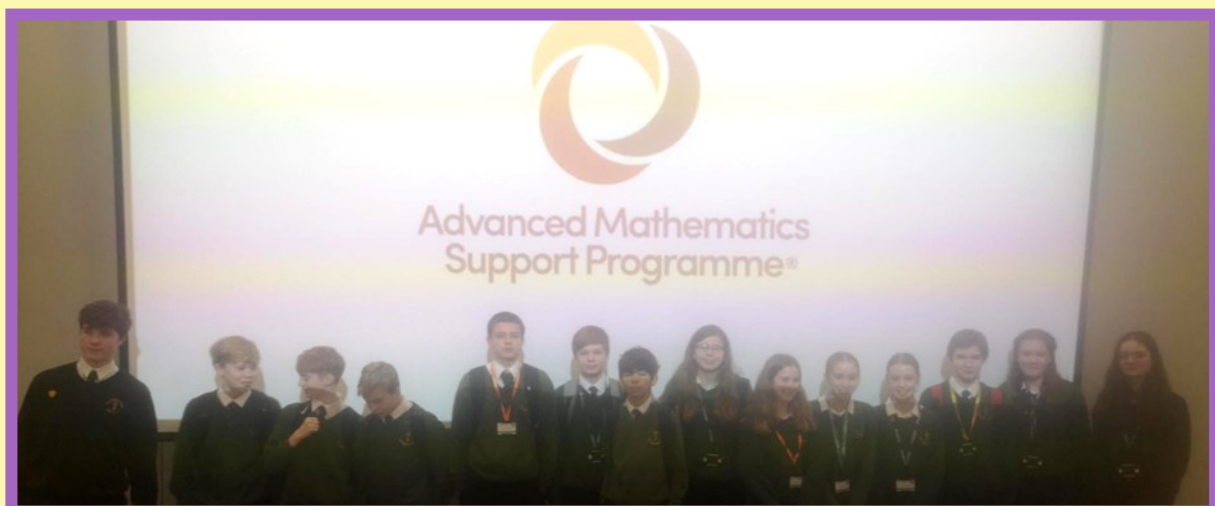

Along with the puzzle and competitions, they were also given ideas of future pathways post GCSE that involve maths at some level, so it was a very beneficial day all round.

All our students represented the school brilliantly, I was very proud of how they conducted themselves through the event, with members of staff from Idsall commenting on how well they conducted themselves.

A big thank you to Harry Thompson and Maggie Purcell in Year 11 for coming and being Priory Representatives, and thank you for helping with marking and organising on the day.

Year 9 Students involved were:

Alexander Dearlove-Cruz, Claire Ward, Hannah Walker, Hugo Hutcheson, Jack Ellis, Joe Bibby, Lucy Bentley, Lucy Nealon, Milly Williams, Nathan Johnson, Poppy Smith, Stefan Floristean.

RBL Remembrance Service

On Thursday 9th November, students from various year groups joined the Royal British Legion's Remembrance Service at Shrewsbury Cemetery. The proceedings were opened by the Mayor of Shrewsbury. Alongside veterans, clergy and the students and staff of other schools, Priory students laid a handmade wreath at the War Memorial. After readings and prayers, students talked with members of the RBL and investigated the graves of soldiers, British and foreign – German and Italian, that are maintained by the Commonwealth War Graves Commission. This was an important commemoration and the Priory students demonstrated a high level of maturity and understanding in honouring those who made the ultimate sacrifice.

Remembrance Day

Thank you to St George's Church for displaying our 8K wreath! All wreaths made across forms were fantastic and thank you to The Allotment, Oberon, Green Options, The Armoury, and Clarkes solicitors for displaying them.

Glider Challenge

Thank you to all KS3 who participated in 3 week's worth of creative challenge. They all worked amazingly on the STEM project and the winning team were a credit to The Priory School at RAF Cosford. Well done! -Mrs Hayman-Bant, Mr Wright, and Mrs Kinvig.

Year 7 Languages Day

A few pictures from our Year 7 Languages day! These were short lessons delivered by some of our older students to Year 7s in Portuguese, Polish, and Arabic. There were lots more language-related activities throughout the day and the students were excellent!

Shrewsbury Library & Café

A group of Year 9 students recently took part in a visit to Shrewsbury Library. We had a tour around and students were given the opportunity to sign up for a library card and borrow books. We found out about the history of the Library and bumped into several ex-Priory students who were using the library as a place to study and revise! Afterwards, we went to Palmer's café where we met Lucie, who was previously at Priory as a French assistant. Students were able to order a drink and snack (in French) with Lucie and several students took part in some French conversation with Lucie; also with Susanne, our current French assistant.

It was a great opportunity to immerse ourselves in reading and practise speaking in another language! Thank you to Mrs Wassall for driving the minibus for us.

Merry Christmas

from the School Library team!

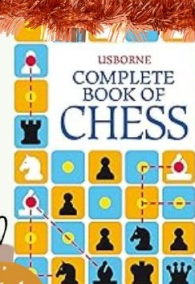

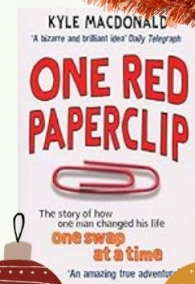

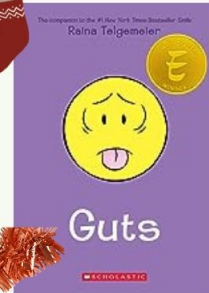

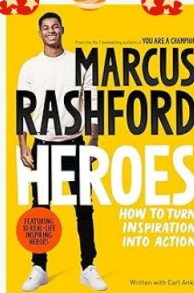

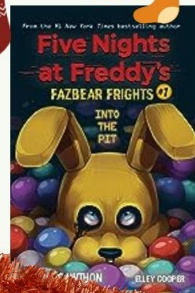

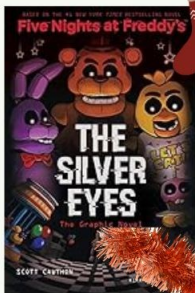

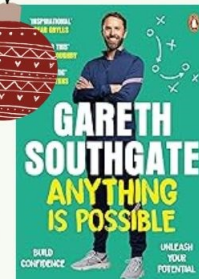

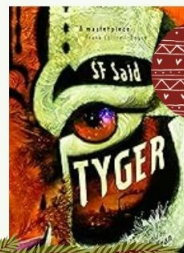

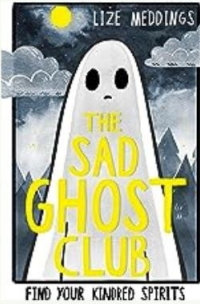

Oliver Roberts has won Pupil Librarian of the Term.

Most Popular Library Books Christmas 2023

Entries for our book club 'Christmas Book Tree' competition, creative and thrifty, recycling our old, damaged books. Thank you to Miss Harvey-Saunders for showing us how to make them. They are all now beautifying the library!

Netball

In the North Shropshire Netball tournament for Year 10 and Year 8, Year 10 came 3rd in their group, whilst the Year 8 team reached the semi-final but lost out to The Marches.

Netball

On November 15, two Year 7 teams played Meole Brace. One team, captained by Frankie, won 3-0. Trinity captained the other side, losing 2-1. Great effort by all!

Year 7 Netball Club has been very well attended this term. Although some games have been postponed due to the weather, we did manage a fantastic win against Shrewsbury High School. This team has great potential. Keep up the good work!

Netball

Some fabulous netball played in the Plate Finals competition for U16 County. Some tough games, finishing 2nd overall. Thanks to William Brookes School for organising, and Abraham Darby for hosting!

Student SPOTLIGHT

Millie

Holmes

9N

Millie Holmes has recently been chosen to represent Wales at the Dance World Cup. This is the greatest all-genre dance competition in the world for children and young adults, where over 120,000 competitors represent 65 countries. Millie will be going to Prague in the Czech Republic in June 2024. We are really proud of her and look forward to hearing how she gets on. Good luck, Millie!

ALUMNI UPDATE

The Priory School Alumni is a network of past students who would like to keep in touch with school and their peers.

Alumni Engagement

The school held its annual English at Work and Careers event in November for Year 9 students. The event uses a different approach for students to learn by engaging with external presenters. The speakers talk about their career paths and the importance of having good listening, speaking, reading and writing skills to help them with future employment and education.

Our Alumni network is growing and we now have past students covering years from 1950 to the current day. Below are some comments about their time at The Priory School:

"I would love to get involved with The Priory School as much as I can to give back to the community who undoubtedly shaped me as a person."

"I went to SSFC after leaving Priory and now work as a business manager for a music management company. My highlight was creating a band's 50th anniversary tour and having them sing "don't stop believing" to me on FaceTime!"

"Since leaving Priory and attending Veterinary College in London, my highlight has been when I have travelled to Zimbabwe and worked in a vaccination clinic."

"Since leaving school in 2000 I am now a solicitor with experience in criminal law. The highlight of my career has been successfully defending those wrongly accused."

On joining the Alumni, members receive newsletters, are invited to attend events and activities at school, and participate in presenting to our students on various subject areas such as Computer Science, Drama, English, Geography and PE.

We have a dedicated wall in school where some of our Alumni pen portraits are displayed for students and staff to see. We also have a selection on the website.

If you are a member of our Alumni, we would love to hear about your life since you have left school. If you would like to send us a pen portrait, for further details please contact sandra.cooper@pri.318education.co.uk

If you are a past student of The Priory School and would like to find out more please visit <https://priory.tpstrust.co.uk/community/alumni/> -We would love to hear from you!
