## Headteacher

Dear parents and carers,

It's certainly been a busy half term. You will see from reading the rest of the newsletter that school has been busy in terms of events and activities for pupils. This includes our school production *Oliver* on the last two days of half term – I hope to see many of you there. Additionally, we had our continued Ofsted inspection. I am hopeful I will have a final report before half term (it may have already reached you by the time you read this!). It has been an incredibly challenging time for staff in school and we have appreciated your support. Although we are very pleased with the way in which the final team gained a through insight into life at The Priory, with a very personalized and well rounded commentary, it is a shame that it took a robust challenge of the initial visit, to get to this point. The number of parents and carers who contacted me to lend their support was overwhelming. Whilst it is always important to have an external lens there does need to be trust in the way in which the process is carried out, we felt this was the case with the visit in January. However, it is still just a snapshot into everything a school does on a daily basis and we were heartened by the overriding feeling from the parental body that the view of Ofsted was not the primary factor in judging the provision for your child. Myself and my staff are looking forward to being able to move forwards with this sentiment in mind.

### Key areas to note:

- If your child has a medical or dental appointment we would always urge you to try to arrange this outside of school time. However, where this is not possible you do need to request their absence, in writing, in advance with confirmation of the appointment. We have an increasing number of pupils asking to sign out but we have had no verification from parents around the reasons for this. If they are attending a medical appointment before 3pm we do need someone to collect them for safeguarding purposes.
- There are a number of Year 11 attending interviews at sixth form provision. Again, we need confirmation from parents so we can verify where pupils are going, if their interview is before 3pm. We understand in this case that some of these older pupils will make their own way there especially if it is at Shrewsbury Colleges Group.
- **Uniform reminders.** I confirmed, last year that the skirt FOR ALL PUPILS AND YEAR GROUPS will change from green to the black pleated style (it must fit the style on the school website and must have permanent pleats, not a straight style). **This change will come into place from September 2024.** I will remind again, next term. This can be purchased from the School Shop uniform providers but also any high street chain or supermarket. The black school trousers are an option for anyone, as are tailored shorts. Leggings are not part of the school uniform. Uniform infringements do incur a school sanction. If there are any issues a note from home must be provided but will only cover two days.
- Request from Lakeland coach company to not park in the bus stop opposite school as bus services are finding it difficult to pull in for passengers to board and alight.

I hope you find the information in the newsletter useful and informative.

Kind regards

Mrs Pope

# Howden Shrewsbury's School Uniform Exchange

*Local Insurance broker Howden Shrewsbury are launching a school uniform exchange to support families facing financial pressures this back-to-school season.*

**HOWDEN**  
The new name for  
A-Plan Insurance  
★ Trustpilot Rated 4.8/5\*   
\*Trustpilot score correct as of 20/09/2023.

**Uniform Exchange**

**Pop into your local branch to donate or exchange any school uniform free of charge.**

Chris Beane, Branch Manager at Howden (Formerly A-Plan) Shrewsbury, said: “With the cost-of-living crisis continuing to bite, affecting energy bills, housing costs and food prices, many families are facing tougher financial pressures. School uniforms are a significant expense each year, but prices have risen considerably. And, when you couple this with kids’ growth spurts, moving into a new year or a new school, and the potential for lost property, the cost can quickly add up!

We’re always looking for ways to support our local community, and the school uniform exchange made perfect sense in the current circumstances. It’s an initiative that’s free to use, hopefully reducing costs for families, as well as clothing waste. We hope it alleviates some anxiety for parents and provides a useful resource for everyone in Shrewsbury.”

Anyone in the local area is welcome to participate in Howden’s school uniform exchange, whether to donate or pick up items they need. To take part, all you need to do is either visit the branch (8 High Street) between 8:30am and 5pm on weekdays, or 9am and 12pm on Saturdays, or contact us on 01743 455900 or [www.howdeninsurance.co.uk/shrewsbury](http://www.howdeninsurance.co.uk/shrewsbury) to find out more.

[Click here for how to apply for Free School Meals for your child](#)

## FAQ: Free School Meals in Relation to Lunch Accounts

When a student has Free School Meals, they are allocated £2.40 per day for this. This amount is credited to their lunch account and does not roll over to the next day if any of that amount is not spent.

The £2.40 covers the lunch deal, but the money itself is not 'reserved' for this. What this means is that if snacks are bought at break time, this will be taken from the £2.40 Free School Meals amount, resulting in there not being enough of that allocated money left to cover a free lunch.

In addition to this, if you put money on your child's lunch account to cover snacks/additional food and they purchase these snacks before lunch, this will be taken from the £2.40 Free School Meals amount and not the money that you've put on the account. This is because any food purchases come off the Free School Meals amount first, before any additional credit you have added.

We hope this helps to clarify the way Free School Meals works in relation to lunch accounts.

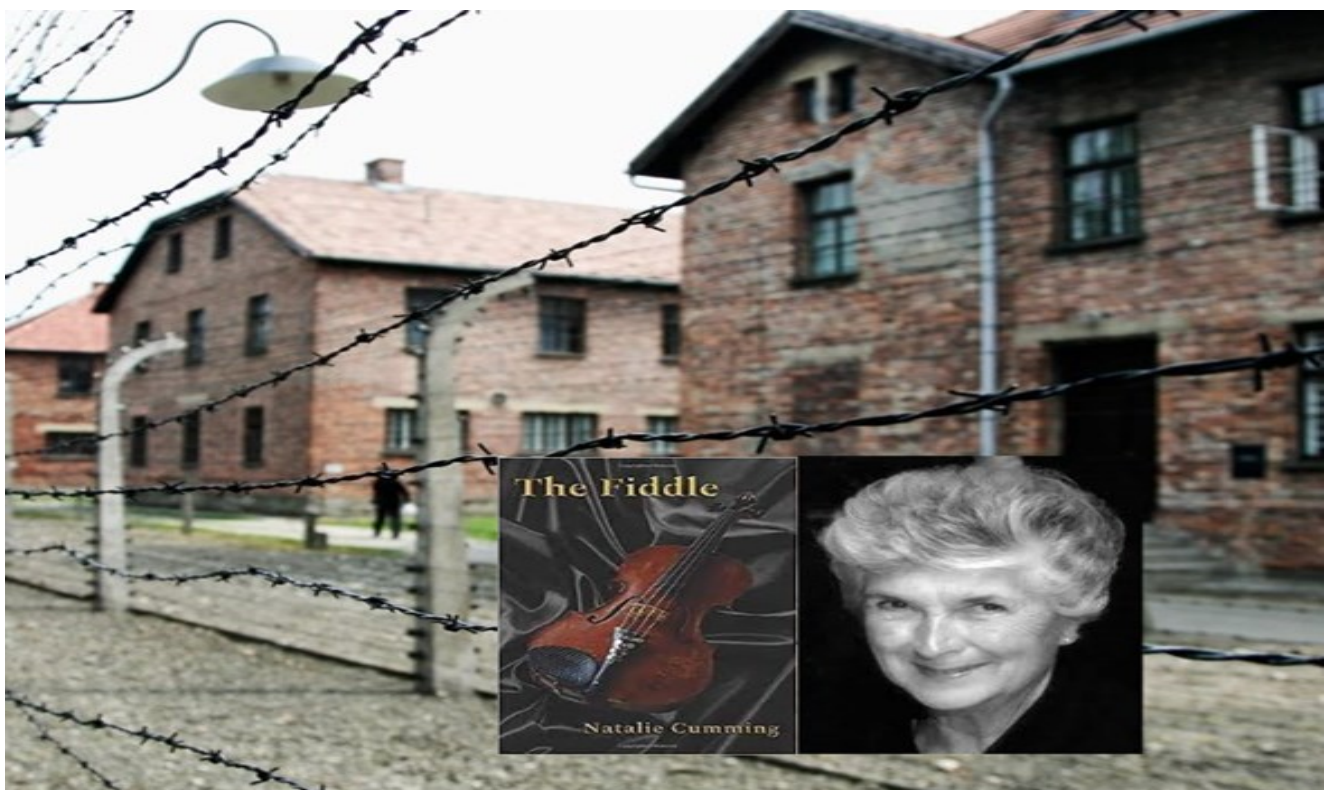

## Holocaust Memorial Day 2024

On Friday 26<sup>th</sup> January, author Natalie Cumming visited The Priory School to share with students the story of her family and the importance of commemorating Holocaust Memorial Day. On the anniversary of the liberation of the concentration camp at Auschwitz-Birkenau, people from across the United Kingdom and the world remember the six million Jewish men, women, and children who were murdered during the Holocaust, alongside the millions of other people killed under Nazi persecution, and those killed in other genocides such as in Rwanda, Srebrenica, and Cambodia.

Students had already seen a video of Natalie's appearance on 'The Repair Shop' with her aunt's violin. During her talk, Natalie explained that the violin had originally belonged to her grandfather, who had escaped religious persecution in Russia following the communist revolution in 1917. The violin passed to Natalie's Aunt Rosa, a gifted musician, who was invited to play for the Berlin Symphony. However, following the rise of the Nazis, Rosa was arrested and sent to Auschwitz. Luckily, the violin proved to be her lifeline, as she was forced to perform in the camp and deemed necessary to be kept alive. Unfortunately, Rosa died in 1947, but not before she could pass on her story to Natalie and the violin to Natalie's father.

In a recent message, HM The King explained the importance of the work of people such as Natalie:

*'The theme for Holocaust Memorial Day 2024 is the Fragility of Freedom, a stark reminder to us all how freedom can so easily be lost when it is taken for granted, and how crucial it is, therefore, to learn from those who bear witness to the horrors of the Holocaust and all genocides. Tragically, we live in a world where violence and acts of unspeakable cruelty are still perpetrated against people for no other reason than their religion, their race or their beliefs. In recommitting ourselves to remembering the horrors of the past, we take an important step in creating a safer, freer world today and for future genera-*

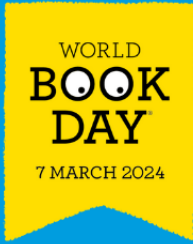

# Drama!

Our Head of Drama, Miss Jones, recently entered a competition run by the National Theatre Bookshop and was selected as their winner! Miss Jones, who was sent 5 incredible scripts said: 'I look forward to reading these playscripts and sharing these with my students. Thank you so much National Theatre Bookshop.'

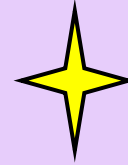

## Save the date! World Book Day 7 March 2024

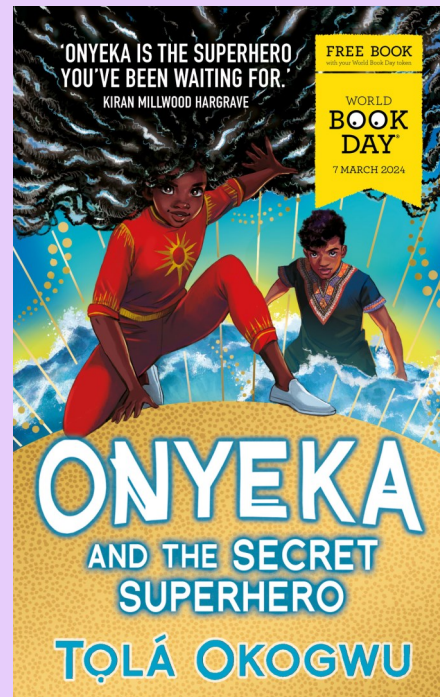

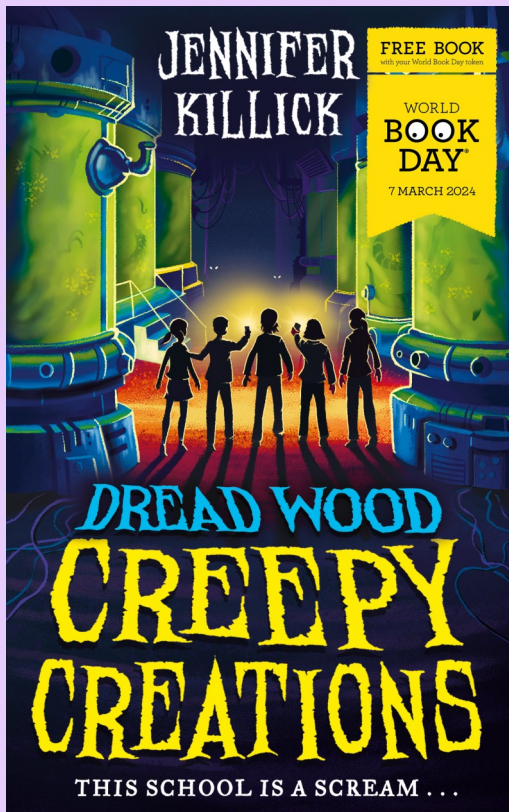

World Book Day is **Thursday 7<sup>th</sup> March**. We have big plans, including a day of costumes and a competition for the best efforts, a visit from Walking Dead illustrator Charlie Adlard, a book giveaway, a house quiz, and a murder mystery trail. £1 World Book Day paper vouchers will be sent home with pupils this week. These can be used from 15<sup>th</sup> February to swap for a special World Book Day book. A number of the books available are suitable for older students including *Dread Wood: Creepy Creations* and *The Doomsday Date*. Participating retailers: *Asda, Sainsburys, WHSmith, Waterstones, The Works, Tesco*.

Pupil Librarian of the Term: Vivi Tunbridge 8A - well done, Vivi!

We have raised £460 through the Year 7 sponsored read, *Priory Reads*. A big thank you to all who encouraged more reading at home and sponsored their child or helped their child collect sponsors. The money raised will go towards the charities Cancer Research UK, The Dogs Trust, WWF and new school library books!

# Cross Country

On Saturday 3<sup>rd</sup> February a team of students travelled to Oswestry to take part in The Shropshire Schools' Cross Country Championships. Some students were unable to attend due to clashes with other sporting commitments, so we were unable to contend for the year group team medals. Despite this, there were some great individual performances from those that did attend and we were able to enter at least someone for each race.

Fraser Cox 7P put in an amazing performance, coming 3<sup>rd</sup> in his race. A big well done to George Bentley (17<sup>th</sup>) and Lydia Tanner who represented the girls coming 13<sup>th</sup>.

In the junior girls race Enid Round, 8P came 18<sup>th</sup>. Great running from Maisie Forber who came 11<sup>th</sup> and Poppy Smith just behind at 14<sup>th</sup>.

Another podium spot in the junior boys race, with a superb run from Will Neil, finishing 3<sup>rd</sup> place. Harry Marston-Jones in Year 8 also ran well coming in at 18<sup>th</sup> and Peter Cawood 22<sup>nd</sup>.

In the Inter girls race Josie Cox and Roisin Ellam both ran well coming 21<sup>st</sup> and 22<sup>nd</sup>. Whilst in the Inter boys race Sam Taylor ran superbly, finishing 9<sup>th</sup>. Billy Ward came 12<sup>th</sup> and Charlie Bevan 27<sup>th</sup>.

Will Neil and Fraser Cox will now go on to represent Shropshire. We wish them both the best of luck.

A big well done to all.

# FOOTBALL

The Year 7 Girls Football Team had a very successful December, and won all their matches!

They are into the 5<sup>th</sup> round of the English Schools PlayStation Cup, after beating Bridgenorth 3-0 on Wednesday 13th December.

They travelled to Wigan on the 16<sup>th</sup> January to represent Shrewsbury Town in the U13 EFL Cup.

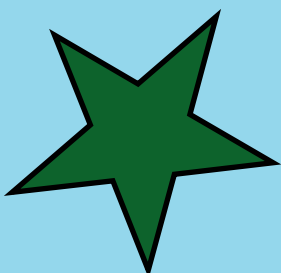

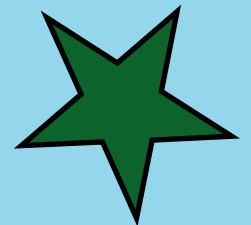

# FOOTBALL

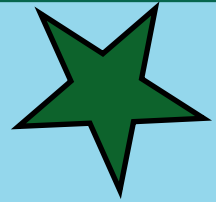

The year 7 girls football team progressed to the next round of the county cup, with a convincing 8-0 win against Idsall school, as they look to secure Shropshire and National champion status.

The team have drawn the St Joseph's college, Durham, at home in the quarter final of the National cup, and hope to go all the way.

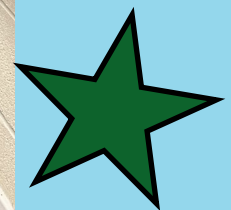

The Priory have had previous success in the year 7 national cup, winning it 5 years ago.

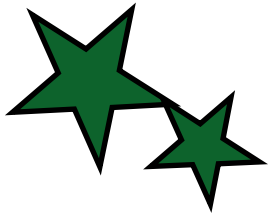

# FOOTBALL

On Tuesday 23rd January our Year 7 girls took a very wet and windy trip up to Wigan to represent both the school and Shrewsbury Town FC in the EFL Regional football finals. It was a tough day and sadly the girls missed out on the semi-finals by just one point. Despite this, it was a fantastic experience and each of the girls showed sheer grit and determination throughout the day despite the challenging conditions!!! Star performances came from Lexie Jones and Clara Jacobs! Well done to all!!!

# Volleyball

Year 10 and Y11 volleyball team played a two competitive games against Shrewsbury Academy.

## **Futures Focus**

A quick update on the careers activities for this half term and what is coming up

### **Year 10 Apprenticeship Event**

All Year 10 students took part in our annual Apprenticeship event where they heard from young apprentices, including degree level, about their journeys and why they chose apprenticeships. Learning first hand from apprentices give valuable information to help with their decision making in the future. Two were former students of The Priory School and listening to their stories having once sat in the seats of our current year 10 was very powerful.

### **Shrewsbury School University Fair**

Over 30 year 11 students attended Shrewsbury School University Fair where they had the opportunity to speak with over 40 different universities as well as gap year and overseas providers. Whilst many students are not sure exactly what they want to do, gathering so much information, understanding the importance of GCSE results and A Level choices will help students make informed decisions over the coming years.

### **Coming up in the Spring Term:**

#### **National Careers Week – 6th March 2023**

##### **Year 9**

Apprenticeship and Employability Skills Show, Telford – 50 students will have the chance to talk to employers about many different types of apprenticeships – and probably collect a few free gifts too!

##### **Year 10**

Army Elite Skills Workshop – a talk from the army about different careers and then a chance to develop their employability skills through a range of activities including walking through a 'minefield' blindfolded and passing a team through a net without touching the sides.

If you are able to offer your support with any events or would like to know more about our careers education please contact Mrs France at [pri-info@pri.318education.co.uk](mailto:pri-info@pri.318education.co.uk)

## Year 10 GCSE Business Visit To Aico

Visiting businesses is an important part of bringing the GCSE curriculum to life for our GCSE Business students and a visit to Aico in Oswestry did just that. Students toured the offices, warehousing facilities and saw the very impressive range of initiatives focusing on staff well being including in house gym, relaxation room, break room with pool table and bean bags, it was a little too wet to visit the chickens outside! Students really enjoyed the day commenting "I learnt and saw in person a workplace and the employee satisfaction methods used in order to boost productivity" and "I really enjoyed the day at Aico. I think it was the perfect length and it was very fascinating to see what a business distributor looks like. It was very helpful and I think the activity was fun and useful".

Aico, an Ei Company, are the European Market Leader in Home Life Safety. Aico alarms offer a variety of sensor types to guarantee protection for every home, the cornerstone of which is delivering education, quality, service, and innovation. Aico focuses on supporting students through various initiatives, such as assisting schools with their career programmes, preparing the future generation for the world of work, and exposing students to skills they may
