Headteacher's Letter

Dear parents and carers,

It's hard to believe that another academic year is drawing to a close and what a year it has been! On behalf of all of the staff in school, thank you for your engagement and support, especially during our extended Ofsted experience earlier on in the year but also in relation to the responses I have received since my update on the financial challenges facing school.

Important reminders, updates and changes

Length of the school day change

As mentioned in my previous letter, we are having to extend the school day by five minutes to meet statutory requirements which come into place from the new academic year. I outlined the reasons why we were looking to place this at the start of the day; to allow for more settling time with tutors, checks to ensure pupils have come to school ready to learn with every thing they need but also to build those relationships between tutor and child. We have decided to confirm this option.

Morning registration will now start at 8.30am, so pupils need to be on site at 8.25am at the very latest to give them time to make their way to their tutor room. This model means that lesson times stay the same, as does the end of the day. This will avoid a clash with Meole Brace school's exit and the impact this would have on traffic on Longden road.

School Uniform changes and reminders

If your child chooses to wear a skirt it MUST be the black, permanent pleat style as displayed on the school website, for ALL year groups. Not lycra, straight or pencil cut or 4-pleat in design. Please check the photographs if you are unsure as school sanctions apply for anyone not wearing the correct uniform. This does not have to be the version from the School Shop supplier, it can be bought from any supermarket or High Street chain, as a more affordable option. Tailored school trousers and tailored shorts are still an alternative option for all.

Jewellery – one pair of stud earrings, no others. Clear piercings should not be encouraged as they would need to be removed for health and safety elements of PE, along with more visible piercings. Please do not allow your child to have any additional piercings at the end of the holiday period, due to the healing time needed before school starts.

Artificial nails – these are not permitted due to the increased likelihood of accidents in PE but also hygiene in subjects such as Food Technology. We have had some nasty incidents of nail beds detaching when the nails have been caught or bent. They need to be removed before coming into school.

Lanyards – must be kept over the school holidays and re-worn. New ones are not issued in September. The must be worn daily as part of the school uniform.

Active Travel

To ease congestion along Bank Farm Road and Longden Road, wherever possible please encourage your child to cycle or walk to school. If you are collecting or dropping off your child, please do not park in any of the bus stops as we have received numerous complaints from bus companies that they have not been able to safely drop off or pick up passengers. Likewise, please do not park across the drives of local residents.

Dropping off on school site

The only parents who should be picking up and dropping off on school site are those whose children have mobility needs and have a special pass. From September we will be asking these parents to pick up from the barrier, just past the school gate. There may be exceptional, one-off circumstances, for example if your child has become very unwell where the reception team will give you access through the school gates. This is for health and safety reasons as pupils need to walk across these areas to access classrooms and play areas from 8am onwards.

Mobile Phones

A reminder that our policy is that they **'must not be seen and must not be heard'** within the school building at any point. We will be reinforcing this again with pupils as they need to ensure they have exited any building before their phones are taken out and switched on, rather than it being acceptable for them to be out as soon as it is 3pm. We need to ensure school remains a safe place, away from the influences of social media. If your child urgently needs to get in touch with you or needs collecting, please remind them to come to school reception where we will facilitate this. **Please do not text or message your child during the school day.** Mobile phones will be confiscated if they are seen or heard and a detention will be issued.

Staffing changes

A reminder that Mr Stacey is temporarily

stepping down as Head of English, with Mr Dalgarno taking over the position from September.

Mr Byrne will be taking on the post of Head of Attenborough House during this interim period.

Mrs Wassall is taking on further roles within her Higher-Level Teaching Assistant position so will no longer be school matron. First Aid responsibility will now be on a rota of staff, primarily led by the admin team within the school office. A gentle reminder that staff are trained in the administration of First Aid but are not medically qualified.

If your child feels unwell or has an injury, they should report to school's main reception. Notifications will still be sent home via Arbor.

As per my previous correspondence we will no longer have additional Maths and English support from our departmental intervention mentors.

Clare Revans and Joanna Biggs will be leaving us from student support. Clare will be starting her teacher training and Joanna is moving on to work with the local authority inclusion team – we wish them both every success.

As outlined in my letter, this term we will not be replacing Clare; Joanna's replacement will not work with pupils around interventions but will manage our internal exclusion room. Our student support team will continue to include Liz Tinsley, Lizzie Robey and Nicole Emery.

As mentioned previously, Mrs Turner will only be working in D4 for three days per week which will limit the use of personalised timetable to support attendance.

Behaviour policy and detentions reminder

As per the Department for Education's Behaviour guidance we do not need to request your consent for your child to attend a detention but we will inform you if they need to attend a detention after school so you can arrange for them to be collected, if needed. Please log into Arbor regularly so you can make the necessary arrangements if your child receives a detention. Due to staffing constraints, we will not be able to rearrange detentions, especially School Detentions with the Senior Leadership Team, as these need to happen on a Friday.

Learning Engagement team

We are moving to a re-branding of our student support and learning support/Support Hub to Learning Engagement, for next year. The main change is something we have shifted to this year. Students cannot attend Student Support in D5 on a drop in basis apart from break and lunchtime. **Any time in D5 or D4, during lesson time, is by appointment ONLY.** Pupils need to be in lessons and cannot take themselves to student support at any other time. This is incredibly important to move away from the pattern where pupils try to avoid lessons; this is something that has affected schools nationally. We have not been as affected as other schools and are keen to keep it like this. The focus will be re-engaging pupils with their learning, in the classroom. If a child is anxious, this will be the focus of the Student Support team.

Newsletter

I have received feedback on the school newsletter over the course of the academic year from staff, parents and pupils. While everyone has enjoyed seeing pupils being celebrated, the general consensus is that the newsletter has become too long and therefore, people have stopped reading it. We have increased our use of social media this term and will be using our Facebook page as the main

method of highlighting school achievements. Letters from myself will continue to come to you by email/Arbor but they will also be linked on the school website and social media pages.

<https://www.facebook.com/PriorySch/>
<https://x.com/PriorySch>

If you are reading this letter as part of the school Newsletter, I hope you enjoy our review of the successes for students this term, we look forward to seeing them all back again, safe and well in September.

Wishing you all a happy and restful summer break.

Kind regards

Mrs A Pope
Headteacher

Y10 Mock Interviews

Busy day for our Year 10s who all took part in our Mock Interview Day; some students also attended an assessment centre or interview skills sessions. They were fantastic and very smartly dressed. Huge thanks to all the local employers who gave their time to help our students develop important life skills.

Free School Meals

[Click here for how to apply for Free School Meals for your child](#)

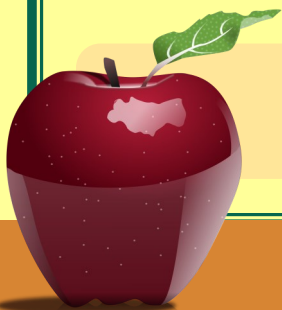

FAQ: Free School Meals in Relation to Lunch Accounts

When a student has Free School Meals, they are allocated £2.40 per day for this. This amount is credited to their lunch account and does not roll over to the next day if any of that amount is not spent.

The £2.40 covers the lunch deal, but the money itself is not 'reserved' for this. What this means is that if snacks are bought at break time, this will be taken from the £2.40 Free School Meals amount, resulting in there not being enough of that allocated money left to cover a free lunch.

In addition to this, if you put money on your child's lunch account to cover snacks/additional food and they purchase these snacks before lunch, this will be taken from the £2.40 Free School Meals amount and not the money that you've put on the account. This is because any food purchases come off the Free School Meals amount first, before any additional credit you have added.

We hope this helps to clarify the way Free School Meals works in relation to lunch accounts.

Library

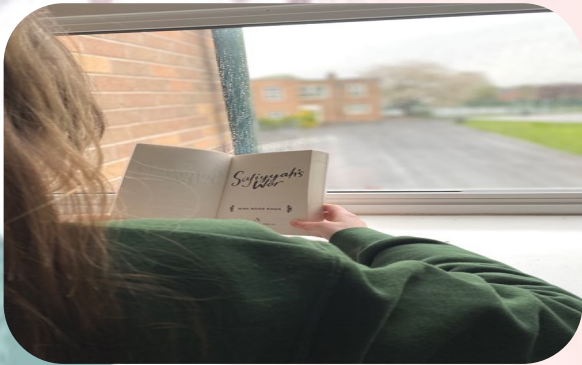

Summer Reading

To encourage reading for pleasure this Summer term the library is running a reading raffle. To enter pupils just need to borrow a book of their choice to read at home. Extra raffle tickets are available if book reviews are posted on the online library. A winning ticket is picked out each week. Prizes to choose from include new books, Amazon vouchers and Moomin biscuits!

Book Club

This Spring/Summer our book group *Pride & Paperbacks* has been shadowing the Carnegie Medal Prize for Writing. The Yoto Carnegie's is the UK's oldest and most prestigious book prize for young people. Every year reading groups in libraries and schools are invited to get involved with shadowing. We have joined the national conversation and 'shadowed' the judging process; reading, discussing and giving honest reviews on all the new books shortlisted. We also voted for our favourite to win.

*Our overall book club favourite was **The Door of No Return** by Kwame Alexander. Nationally, the shadowing groups favourite was **Crossing The Line** by Tia Fisher. The judge's choice overall winner has just been announced as **The Boy Lost in the Maze** by Joseph Coelho.*

The Door of No Return

"When I first started this book, I wasn't expecting to enjoy it as poetry isn't really my thing. However, I have been pleasantly surprised - I absolutely loved it! The way it captures everyday struggles and more dangerous rivalries through poetry makes for an interesting and totally unique read." **Eleanor year 8**

Crossing the Line

This was an eye-opening book to the dangers that young teens face and how sometimes life is hard. The morals of the story were quite interesting. There was a lot about drugs and the effect peer pressure can have upon the younger generation. I really enjoyed the book and I think it is fantastic" **Anna year 8**

Getting Involved

The library stays open after-school **Tuesday - Thursday from 3-4pm.**

The Quiet Hour - study time or quiet reading. All ages can drop in during this time to use the library.

Early HELP

Focus on Early Help for families as service relaunched in Shropshire

At a launch event on Tuesday 16th July, Early Help professionals from Shropshire Council and partners across health, education and the voluntary and community sector came together to celebrate the new strategy, which aims to give children, parents and carers the right help at the right time.

Early Help services aim to provide families with the most suitable type of support for their needs at the earliest possible stage, to stop issues from

escalating into more serious problems. Support can involve advice on parenting, behavior, absences from school, drug and alcohol misuse and much more.

Working with families to resolve concerns right at the beginning helps them to become independent and resilient, avoiding crisis and more disruptive intervention that can also be costly for the council.

The Supporting Families Team have organised a series of **FREE Networking Events** for professionals or volunteers working with children, young people or their families across Shropshire. These are 'market place' style events where various organisations will be showcasing the support or services they can provide to families in the area. **Please drop in anytime during the opening hours of the event and pick up information and contact details** which you can share with any young people or the families you work with:

- Thursday 18th April between 12.30 – 2.00pm The Zone Community Hub, Market Drayton, TF9 1QT

We also run **termly Early Help Network Meetings**, which are **FREE** to attend for any organisation working with families in Shropshire. These are delivered via Teams on a locality area basis and provide an opportunity to regularly share information or updates with everyone working in the Early Help arena. We often have guest speakers and a wealth of information is shared at these meetings and also electronically afterwards in a Padlet which can be used as reference at any time or shared with colleagues.

In addition we have a regular programme of **Multi-agency Early Help Training**. All our training is available to agencies working with families in Shropshire and is **FREE** to attend.
